**CASE NO. 6:11-CV-184
PATENT CASE**

ORDER

Before the Court is Medcomp Systems, Inc.'s Motion to Consolidate Cases (*Prompt Medical Systems, Inc. v. Medcomp Systems, Inc.*, 6:11-cv-00184; Doc. No. 8). The matter is fully briefed (Doc. Nos. 10, 12, 13). The Court may consolidate actions that involve a common question of law or fact. FED. R. CIV. P. 42(a). Both cases involve U.S. Patent No. 5,483,443, and the 6:10cv71 case Defendants are similar to the Defendant in the 6:11cv184 case. At the August 9, 2011 status conference, counsel for the parties represented that they were unopposed to consolidating the

6:11cv184 case with the 6:10cv71 case.¹ Accordingly, the Court **GRANTS** the motion and **ORDERS** the above styled and numbered cases to be consolidated, with case number 6:10cv71 to be the lead case.

So ORDERED and SIGNED this 15th day of August, 2011.

A handwritten signature in black ink, appearing to read 'Leonard Davis', written over a horizontal line.

**LEONARD DAVIS
UNITED STATES DISTRICT JUDGE**

¹ The agreement to consolidate was contingent on the 6:11-cv-184 case proceeding on the current schedule established for the 6:10-cv-71 case.
